C: Ruth Selke 225/275

Ladies: Lil Brandt 246/275

Junior: Adrian Morris 197/275

Veteran: Graham Whitfield 252/275

A good weekend of shooting with visiting shooters from Blackall, Condamine, Clermont, Dysart, Gemfields, Kingaroy, Mount Isa, Rockhampton, Tambo and Pioneer clubs enjoying the competition with lots of shoot-offs.

This year our targets have been sponsored by BMA, Blackwater Mine and trophies as well, which is an enormous boost to the sport and will assist with the upgrading of facilities by all our sponsors. Westfarmers Curragh sponsored the Cash Handicap event, which is always a drawcard to annual shoots and graded high gun winners, Ladies High Gun, Junior High Gun and Veterans High Gun, which are very much appreciated. Jellinbah Mine provided trophies in the State Single Barrel Continental event, which was won by Grant McPherson after a shoot-off with Ross Ohlsen. Thanks to all our sponsors and to Coates Hire for assisting with power to run the venue over the weekend.

The weather was looking pretty threatening on Friday but gradually cleared on Saturday to everyone's delight. Sunday was a beautiful sunny day and suited the hot competition for the major event, the Coalfields 100 target double barrel Championship. This event was the first 100 target event in Central Queensland back in 1983 and is always hotly contested and was very ably won this year by Mark Warnock after a mammoth shoot-off with Grant McPherson and Peter Watts. Mark had to shoot 164/166 to beat Grant McPherson on 163/166, so a great crowd of spectators enjoyed the display of two in-form shooters. Nearly all the winners of the grades and second in grades in all events had to be won by shoot-offs and the AA Graded High Gun winner was also a long shoot-off. Nearly had to put the lights on to finish the shoot-off. To everyone who helped to make a very successful weekend of shooting possible and presenting the club grounds in great shape, a big thank you from all the members. Our next shoot will be held at the club grounds on 24th June with both Skeet and D.T.L. Trap events being shot. The sport is open to the public and should you want to participate, please feel welcome to contact Vere on 07 4982 6279 A/H or 0428 861009 B/H for more information.
