

Charters Towers Annual Results 2017

Our 2 Day Shoot had a few surprises in store for the week end. Even with the transformer blowing up and our heavy shower of rain the week end was a great success. We had 73 shooters from Port Denison, Burdekin, Townsville, Herbert River, Silkwood Atherton, Charters Towers, Gemfields, Cloncurry, Clermont, Darwin. The weather was hot but relief came with a heavy show of rain after the shooting.
